FISCAL NOTE

SB 812 - HB 1092

March 10, 2017

SUMMARY OF BILL: Imposes a temporary permit fee on each off-highway vehicle operated on any private or public recreational trail or area as part of a large event in Scott County in the amount of \$10 for persons residing outside the county and \$4 for persons residing inside the county, proceeds of which are to be used by the county for emergency services and expenses incurred as a direct result of off-highway vehicle recreational activities. Defines a large event as any commercial endeavor involving off-highway vehicles where admission is charged and more than 5,000 persons are expected to attend within a continuous 7-day period.

ESTIMATED FISCAL IMPACT:

Increase Local Revenue – Exceeds \$38,000/Scott County

Assumptions:

- There are two large annual events in Scott County that will be impacted by this bill: the White Knuckle Event and the SXS Roundup.
- The number of off-highway vehicles on which the temporary permit fee will be imposed is unknown. However, there will be a minimum of 10,000 attendees for the two events. It is assumed that at least 2,000 Scott county residents will pay the \$4 permit fee imposed on their off-highway vehicles, and at least 3,000 nonresidents will pay the \$10 permit fee imposed on their off-highway vehicles.
- The recurring increase in revenue to the Scott County is estimated to exceed \$38,000 [(2,000 x \$4) + (3,000 x \$10)].
